POLY RISER

DESCRIPTION	POLY PILLAR RISER – 50mm HIGH – GREEN SUPPLIED WITH 85mm LONG BOLTS
SIZE (mm)	50H x 355W x 320D
COLOUR	GREEN
WEIGHT	0.7 kg

MATERIAL: POLYPROPYLENE & RUBBER SEALS

HARDWARE: M10 x 85 LONG BOLTS – STAINLESS STEEL – GRADE 304

TESTING:

SALES DRAWING No: 1-S0004

NOTE: For use with the PPB2MVG, PPB2TVG pillars & PB2 series bases.

Plastic pillar riser increases the height of the pillar when top dressing covers the pillar bolts, making access difficult.

****Different heights available, minimum order quantities apply****
